X2X ECOMMERCE

x2x eCommerce

Is a world-class integration
Suite which can seamlessly connect
MICROSOFT DYNAMICS GP AND SHOPIFY

www.x2xecommerce.com

Why ?

x2x eCommerce for
Microsoft Dynamics GP and Shopify:

- Built in eCommerce module within Dynamics GP
- End-to-End, fully Integrated Solution
- User Friendly Interface
- Easy to configure & use
- Support mechanism to ensure smooth operations

Benefits:

- Configuration flexibility as per business requirement
- Parent/Child Item creation capability to ensure product compatibility with eCommerce platform
- Flexibility to create customers in GP or use guest customer option
- Faster order processing with quick order fulfillment & invoice uploads on Shopify
- Easy Inventory count, price, and image updates
- Scheduling of Key processes as per requirement
- Activity log to show the success/failure of process

**"Increased Productivity due to automation"**

Benefits of integrating
Microsoft Dynamics GP and Shopify:

- Data synchronization between two platforms
- Key process Automation
- Human error reduction due to manual entry elimination
- Reduction in lost Sales due to instant inventory updates
- No data discrepancy between two platforms
- No need of extra resources for data entry tasks.
- Increased Profitability with more time to focus on business growth.
